DORMITORY LIFE

Residence halls for men and for women have comfortable bedrooms, attractive lobbies and modern heating systems. The women's residence hall has a connecting bath for each suite of two rooms. Housing for married students is provided at nominal rent. A number of apartments and houses are available which are comfortable and convenient to the class rooms.

SCHOLARSHIPS

Valedictory Scholarships: Valedictorians of accredited high schools may receive a scholarship of \$120 and Salutatorians \$70, applied on their tuition in their freshman year.

General Academic Scholarships: A limited number of scholarships are available for students who offer unusual promise in one of the academic areas. Ranging from \$50 to \$100, these scholarships are available in the areas of Music, Speech, Science and the Humanities.

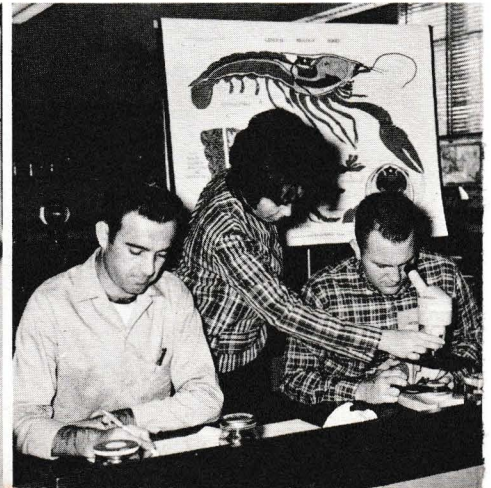

SCHOLARSHIP AWARDS

Eleven scholarships ranging in value from \$50 to \$200 are offered each year to students who, in the judgment of the faculty, are worthy of an award on the basis of scholarship, leadership, Christian influence, missionary interest and notable progress made in a given field.

WORK SCHOLARSHIPS

Openings for employment on campus are available, but limited. Applications should be filed with the Business Manager and assignments will be made on the basis of work opportunities and the need and ability of the student.

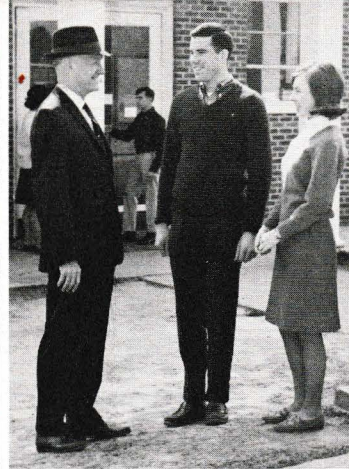

Student Loans. The College has a small revolving loan fund from which it is able to make loans to a few students. Also, the school has an affiliation with United Student Aid Fund, Inc. by which students are assisted in securing loans through their home banks. In addition to these, there are private loan funds to which students are referred for other types of loans. Information about these loan funds may be secured from the Business Manager.

BAPTIST

LIBERAL ARTS JUNIOR COLLEGE

CLARKE MEMORIAL COLLEGE is a co-educational junior college owned and operated by the Mississippi Baptist Convention and located at Newton, Mississippi.

Clarke offers two years of fully accredited college work, giving a basic foundation in the liberal arts and awarding the Associate in Arts degree.

Clarke College is large enough to afford high quality academic training and small enough to provide personal attention to every individual. It is a "family type" college where each student is recognized for his personal worth. The campus has a contagious spirit of friendliness. Since 1908 many trained Christian leaders have gone out from Clarke into all sections of America and into other countries of the world. Pastors, teachers, medical doctors, business executives and law-makers reflect honor on their alma mater and express appreciation for its contribution to their lives.

The faculty is composed of competent, dedicated Christian teachers who are concerned about their students' spiritual and emotional well-being as well as their academic progress.

ACCREDITATION

Clarke College is a member of the Southern Association of Colleges and Schools, the regional accrediting agency for this area, and is fully accredited by this body. Also, it has the status of full accreditation with the Council on Study and Accreditation of the Mississippi Association of Colleges. This accreditation of its academic program assures the student that if his work is planned ahead in line with a known objective, the credits earned here will be accepted by any four year college to which he may go later. Clarke is a member of the following associations:

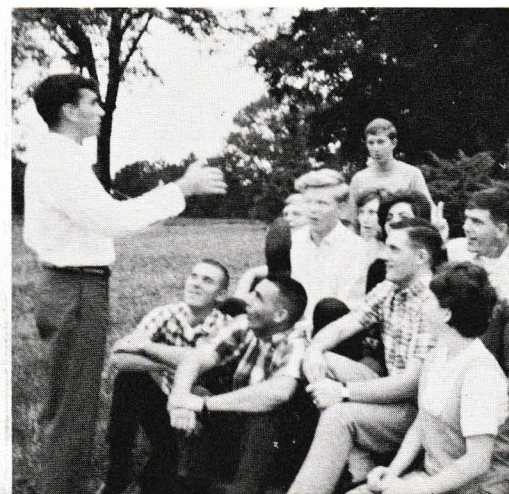

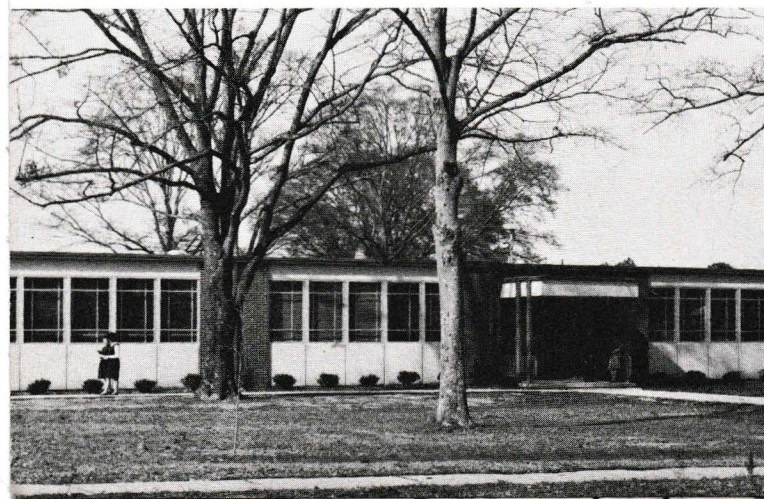

The Southern Association of Colleges and Schools

The Mississippi Association of Colleges

The Mississippi Junior College Literary and Athletic Association

The American Association of Junior Colleges

The Southern Association of Baptist Colleges and Schools.

ACADEMIC PROGRAM

The academic program covering the first two years of college is designed to give the student a solid foundation in the humanities, social sciences, natural sciences and Bible in order to prepare him for the intensive work in his major field in senior college or graduate school. If the junior college is terminal, the graduate has the basis for further self-study and enriched, full living.

The well-rounded academic program offers:

Bible	English	Psychology
Biology	History	Religious Education
Business	Home Economics	Sociology
Chemistry	Mathematics	Speech
Education	Music	

THE PHILOSOPHY OF CLARKE COLLEGE states in part: Education should result in a well-rounded development—the physical, mental, emotional, social, and spiritual development of the **entire** person.

ATHLETIC PROGRAM

The inter-collegiate program includes basketball and baseball. The intra-mural program provides for participation of both men and women in basketball, tennis, volleyball and touch football.

SOCIAL PROGRAM

The B. S. U. sponsors a program of social activities. The secular clubs and religious organizations have frequent social functions such as banquets and fun festivals.

RELIGIOUS PROGRAM

There are five unit organizations on the campus which provide training programs and activities designed to involve every student in distinctly spiritual development. These are (1) Ministerial Association (2) Young Woman's Auxiliary (3) Religious Education Association (4) Woman's Missionary Union (5) Ministers' Wives Fellowship.
